Re: Enrollment Management (USC OT-275)

Dear Colleagues:

President Hogan transmitted the enclosed document, "Strategic Enrollment Management: The Path Forward," with the request that it be shared with the three senates. Also enclosed is the President's transmittal letter to me.

A substantial amount of consideration has gone into this document and there have been multiple revisions to get to this point. The Senates Conference appreciates the time and efforts given by Chairman Kennedy, President Hogan, Vice President Pierre, and Special Assistant Ghosh.

Please share this document with your senate colleagues and report back with your comments before the end of the semester.

Sincerely,

Donald A. Chambers, Chair
University Senates Conference
