SP.10.09-A  Senate Election Rules for the Other Academic Staff ABC Electorate

BACKGROUND

On November 9, 2009, the UIUC Senate approved SP.09.03, thereby adding an Other Academic Staff electorate to the UIUC Senate as well as making some changes to the Faculty electorate. Implementation of these changes requires changes to the UIUC Senate Bylaws and the Senate Election Rules for Faculty, as well as the creation of Senate Election Rules for the Other Academic Staff electorate. This document recommends the creation of the Senate Election Rules for the Other Academic Staff electorate required by the changes in the Constitution.

The Constitution sets up two groups in the Other Academic Staff electorate – those defined in Article III, Section 1a, b, c (Group ABC) and those defined in Article III, Section 1d (Group D). There are criteria common to both groups:

1) The person have a non-visiting appointment.
2) The person have a full-time appointment.
3) The person be paid by the University.
4) The person not be a candidate for a degree from the University of Illinois at Urbana-Champaign.

Other Academic Staff Group ABC

For Group ABC, the additional criteria are that the person (these are the criteria from Article III, Section a, b, c of the Constitution):

a) Hold the academic rank or title of professor, associate professor, or assistant professor modified by the terms “research,” “adjunct,” or “clinical;” or
b) Hold the academic rank or title of instructor or lecturer and are not included in the faculty electorate by designation of their voting unit; or

c) Hold the unmodified academic rank or title of teaching associate, research associate, or clinical associate.

These criteria for inclusion in the electorate for Group ABC are straightforward. These three groups together elect one senator. Because these three groups are drawn from all academic units, USSP believes it is appropriate that it act as the elections and credentials committee for this electorate.

RECOMMENDATIONS

The Senate Committee on University Statutes and Senate Procedures recommends approval of the following Senate Election Rules for Other Academic Staff Group ABC Electorate. All the text that follows is new.

(c.) *Ties in the Final Election.* Ties in the final election will be resolved by a coin flip by the Clerk of the Senate.

9.8 *Returns; Counting; Certification.*

(a.) *Removal of Ballots from Boxes.* If hardcopy methods are used, ballots may be removed from the ballot box only at the end of the voting period or when the box is filled to capacity. Ballots shall be removed from the ballot box only by an election official. Ballots shall be transferred immediately to some sealed container, such as a paper bag or envelope. The sealed container shall be signed by the election officer who transferred the ballots. The sealed container also shall be marked with information showing the date and time of the ballot transfer, the number of ballots transferred (to be determined by reference to the signature sheet), and the election unit in which the ballots are cast. The sealed container shall be stored in a safe place. If electronic means are used, the report of the election shall be obtained at the end of the voting period and the file stored in a safe place.

(b.) *Counting.* The Clerk of the Senate shall provide for the counting of the ballots immediately following the deadline for casting ballots. No interested party shall participate in the counting process. If hardcopy methods are used, any member of the Other Academic Staff Group ABC electorate may be present during the counting process within reasonable limits of space. The results of the count shall be entered on a tally sheet signed by those who counted the ballots. If electronic means are used, there shall be a process by which the results can be certified if challenged.

(c.) *Write-in Ballots.* No write-in ballots are to be counted.

(d.) *Doubtful Ballots.* Intention of the voter shall be the only standard for interpreting doubtful ballots. If the intention can be determined, the ballot shall be counted in accordance with the intent. If the intention cannot be determined (e.g., three candidates marked for only two seats), then the ballot shall not be counted.
(e.) Certification by USSP. If hardcopy methods are used, the tally sheet and all
ballots shall be delivered or made available immediately to the USSP. If electronic
means are used, the report of the election shall be obtained at the end of the voting
period and the file stored in a safe place. The USSP, after satisfying itself that the
vote shown on the tally sheet is correct, shall so certify by signing certification cards
provided by the Senate Office, and shall deliver the cards immediately to the Senate
Office. The Senate Office shall arrange for the preservation of all ballots, tally sheets,
or electronic files for a period of six months.

10. Election Certification by Senate Committee

The USSP shall certify election results to the Senate at the organizational meeting of the newly
elected Senate. These results shall be entered in the minutes of that meeting. The USSP may
delay certification of candidates whose elections are in doubt or may certify the election of such
candidates upon appropriate conditions.

11. Formal Reports

All reports from USSP shall be addressed to the Senate Clerk.

12. Absentee Ballots – Applicable only if hardcopy methods are used.

12.1 Identification Statement. If using hardcopy methods, each absentee voter shall be
required to sign and return an identification form (prepared by the department), in lieu of
signing the voter list as required of voters on campus.

12.2 By Request Only. An absentee ballot can be obtained only by requesting it from the
administrative office of the voting unit.

12.3 Time Limit. To be valid an absentee ballot must be received no later than 5:00 p.m. of
the last day of the election in the administrative office of the voting unit.

12.4 Mailing. Absentee ballots must be mailed early enough to allow ample time for their
return before the deadline.

(a.) addition of names of qualified voters to the electorate lists;
(b.) certification of successful election of candidates.

13.2 Appeal to Senate Executive Committee (SEC) Any aggrieved person may appeal a
decision to the Senate Executive Committee, and actions and decisions of the SEC may be
appealed to the Senate by any senator.

13.3 Procedure for Unlisted Persons Claiming Electorate Status. If any Other Academic
Staff Group ABC member whose name does not appear on the official listing desires to vote
and claims entitlement to do so, the validity of that claim shall be decided by the chair of
USSP before termination of the voting period. If the claim cannot be so decided, the member
shall be provided a ballot after signing a statement that he/she is a qualified member of the
electorate. The voter’s signed statement and vote shall be kept separate and shall not be
counted with the other votes; they shall be delivered to the USSP at the same time as the 
other ballots and the tally sheets are delivered. The USSP will decide whether the member is 
or is not entitled to vote. If the person is so entitled, the chair of USSP will add that vote to 
the tally sheet.

14. Resignations and Vacancies

14.1 No Nominations. If no person is nominated for a Senate seat during the general election, 
then the Other Academic Staff Group ABC electorate shall have the option of electing an 
eligible member of the electorate to that seat in the fall. Election procedures shall be 
developed by USSP.

14.2 Disqualification from Electorate. If a senator fails to satisfy the requirements for 
membership in the electorate during their term of office, the Senate shall determine whether 
the senator may remain seated.

14.3 Review of Status. The Clerk of the Senate will review official records each semester, and 
will report to the USSP the names of all those senators no longer in the employ of the 
University.

14.4 Vacancies. Vacancies shall be filled by election of a member of the voting unit for the 
remainder of the vacant term in accordance with the nomination and election procedures 
prescribed in Article III of the Senate Constitution.
