UNIVERSITY OF ILLINOIS  
URBANA-CHAMPAIGN SENATE  

SP.16.07 Amendment to the Statutes: Nondiscrimination Statement

BACKGROUND  
In October 2015, Vice President for Academic Affairs Christophe Pierre forwarded several revisions to the “University of Illinois Nondiscrimination Statement” (NDS) to the University Senates’ Conference (USC) for advice prior to the November 2015 meeting of the Board of Trustees. The USC forwarded these revisions to the Chairs of each Senate for action. The Senate Committee on University Statutes and Senate Procedures (USSP) began consideration of the revisions at its October 22 meeting. 

Upon consideration, the USSP came to two – possibly conflicting – conclusions: 
1. That the revisions to include “genetic information”, “order of protection”, “pregnancy”, and “sex” are noncontroversial. In fact, revisions to include “genetic information” and “sex” received prior approval from the Senate during the 2014-2015 Statutes amendment process. 
2. That the NDS is not simply a separable aspirational statement or a preamble, but a fundamental part of the Statutes, and requires the same amendment process as the articles which it precedes. This point was particularly troubling to the USSP, because revisions to Article IX, Section 1 (“Criteria for Employment and Promotion”) during the 2014-2015 Statutes amendment process were made with the understanding that the NDS, to which nondiscrimination clauses were moved, received the same weight and protections as any other section of the document.

The Statutes specify two possible procedures for their amendment. The one most often utilized is found in Article XIII, Section 8a (“Initiation by a Senate”). The other is found in Article XIII, Section 8b (“Initiation by the Board of Trustees”). Neither of these procedures has been followed in this case.

Rather than embark on legislative journeys to move the NDS into the articles proper or to withdraw this Senate’s advice on pending revisions to Article IX, the USSP has chosen to recommend a two-pronged approach: stating the Senate’s position on the issue; and beginning the Article XIII, Section 8a sanctioned process to propose amendments to the Statutes.

RECOMMENDATIONS  
The Senate Committee on University Statutes and Senate Procedures recommends approval of the following proposals, with text to be added underscored and text to be deleted indicated by strikeout (e.g., sample text for deletion).

APPROVED BY SENATE  
Proposal 1 – Statement of Position  02/08/2016

This proposal is offered for final approval at the 8 February 2016 meeting of the Senate. 

1 It is the position of the Senate of the Urbana-Champaign Campus that the “University of Illinois Nondiscrimination Statement” (NDS) is a fully official and binding portion of the University Statutes, regardless of its placement within the Statutes. Any suggestion or process to the contrary is damaging to the legitimacy of the Statutes, of the NDS, and of the Senates’ authority to propose and advise on
amendments to those Statutes. This Senate objects to attempts to revise the NDS outside the set amendment processes for the Statutes and urges our colleagues in the Senates of the Chicago and Springfield Campuses and on the Board of Trustees to join us in this position.

Proposal 2 – Amendment to the Statutes, Nondiscrimination Statement, Paragraph 2

This proposal is offered for first reading at the 8 February 2016 meeting of the Senate, with second reading and final approval at the 7 March 2016 meeting.

The University of Illinois will not engage in discrimination or harassment against any person because of race, color, religion, sex, national origin, ancestry, age, order of protection, marital status, genetic information, political affiliation, disability, pregnancy, sexual orientation including gender identity, unfavorable discharge from the military or status as a protected veteran and will comply with all federal and state nondiscrimination, equal opportunity and affirmative action laws, orders and regulations. This nondiscrimination policy applies to admissions, employment, access to and treatment in the University programs and activities.
