Senate Executive Committee Report

Senator Joyce Tolliver (LAS), Chair of the Senate Executive Committee (SEC), thanked SEC and committee members and the Senate Office staff for their hard work this year. The Senate responded with a round of applause.

We received a request to move EP.10.34, Establish a New Master of Arts (M.A) in Religion, in the Department of Religion, College of Liberal Arts and Sciences, from the Consent Agenda to Proposals for Action. Dr. Robert McKim, Head, Department of Religion, among others, is on hand to answer any questions. The *Senate Constitution* provides for floor privileges for unit heads on matters of direct concern to their units, so floor privileges need not be requested for Dr. McKim.

EP.10.47, Proposal from the Senate Educational Policy Committee to make changes in Final Exam Policies was moved from Consent Agenda to Proposals for Action upon request of a senator. A motion to re-order the agenda to take up business under VI before V was also approved.

Tellers for today's meeting are Senators Janet Reis (MED), John Prussing (ENGR), and Henrique Reis (ENGR).

Chancellor's Remarks

Chancellor Robert Easter thanked Interim Vice Chancellor for Academic Affairs Richard Wheeler and Vice-Provost Barbara Wilson for their invaluable assistance during 2009-2010.

The Chancellor reported that the Campus Research Board (CRB) is thriving and that the Research Compliance Advisory Committee, chaired by Neal Merchen, Professor and Head of the Department of Animal Sciences, is expected to issue its report next month.

Chancellor Easter then turned the podium over to Dr. Ravi Iyer, Interim Vice Chancellor for Research (VCR), to discuss units and programs within his bailiwick. Dr. Iyer's presentation touched upon recent research highlights such as substantial grants and fellowships, as well as activities of units reporting to him, i.e., research institutes, research compliance, research services, and the Campus Research Board.
