Approval of Minutes

03/09/15-01 The minutes from February 9, 2015 were approved as amended.

03/09/15-02 The minutes from February 16, 2015 were approved as written.

Senate Executive Committee Report

Senate Executive Committee (SEC) Chair and faculty senator Roy Campbell (ENGR) reported that he and the other authors of the response letter to the Senate Committee on Academic Freedom and Tenure (AFT) Report met with representatives from the American Association of University Professors (AAUP) at the request of the AAUP. The subcommittee of the AAUP felt that Salaita should have been considered an employee.

The Vice Chancellor for Research Peter Schiffer, on the advice of the SEC, created an *ad hoc* committee to review the proposed University policy on classified research. The proposed policy statement follows:

The University of Illinois (Chicago, Springfield, and Urbana-Champaign) can accept a classified contract, after approval of the appropriate campus Vice Chancellor for Research and a review by the Security Management Office of the Vice President for Research, provided that the classified contract can be performed without compromising the University's pursuit of its educational mission.

Chair Campbell also informed the Senate that the University Senates Conference (USC) endorsed the proposed College of Medicine at their last meeting. The budget cut proposed by the governor is of concern. The Senate Committee on the Budget plans to give expert opinion to the Senate when more information has been dispersed. At the Chicago campus, the State Universities Civil Service System (SUCSS) has reclassified over 500 academic professional employees as civil service employees.

03/09/15-03 Tellers for the meeting were faculty senators Nicholas Burbules (EDUC and Calvin Lear (GRAD).

Chancellor's Remarks

Chancellor Wise reported that she traveled to Washington DC to accept the Draper Prize on behalf of Professor Nick Holonyak, Jr. for his work in pioneering LED light technology. Two of Holonyak's former students were also awarded the Prize. The Draper Prize is one of the world's preeminent awards for engineering achievement. Wise noted efforts to work with the other campuses on the proposed budget cuts prior to going before the Illinois Appropriations Board. Wise felt it is critical to demonstrative the value that the University of Illinois produces for the state. The Board of Trustees (BOT) will vote on the proposed College of Medicine this week. President Easter also plans to present a resolution regarding the proposed College of Medicine.

Questions/Discussion

When questioned about the SUCSS initiative to reclassify academic professional employees as civil service, Chair Campbell replied that it may just be a trend. Wise added that civil service employees must be Illinois residents and this severely compromises our ability to remain competitive and to attract employees nationally and internationally.

In a response to a question about Wise's decision not to remand the Salaita decision to the College of Liberal Arts and Science (LAS), Chancellor Wise stated that she did take the vote of the Senate under consideration before making her decision.

Proposals

03/09/15-23 RS.15.08* Resolution Endorsing the Final Report of the Hiring Policies and Procedures Review Committee

Steinberg (LAS) acknowledge the great work the Hiring Policies and Procedures Review Committee had done on the report and turn the three recommendations into an action item. Steinberg noted that SEC suggested that the resolution be amended to include the following language to the end of the resolution:

AND BE IT FURTHER RESOLVED that the Senate Committee on University Statutes and Senate Procedures (USSP) be charged with determining what amendments to the University Statutes would be necessary to implement the recommendations of the Hiring Policies and Procedures Review Committee and that the USSP also be charged with bringing those amendments back to the Senate for its consideration, consistent with the existing Article XIII, Section 8, A process for amending the Statutes.

03/09/15-24 Steinberg (LAS) moved approval of resolution RS.15.08 with the added text. The motion was seconded, and discussion followed.

03/09/15-25 Tolliver (LAS) made a motion to amend the resolution by adding a second resolve clause as follows:

Therefore, be it resolved that the Senate encourages the Board to publically affirm their commitment to a policy of active restraint.

03/09/15-26 The proposed amendment was seconded and discussion continued. Discussion included opinions that approving this resolution would create assurance that future hiring decisions would follow the current and historical hiring practices. Others felt that there might be ambiguity about the BOT's power. A senator pointed out that the BOT delegating authority is different from the BOT abdicating authority, and this resolution uses the term delegate.

03/09/15-27 Roberts-Lieb (AP District 9) moved to close debate. The motion was seconded and approved by voice. Debate was closed.

03/09/15-28 By voice, the motion made by Tolliver (LAS) to amend the resolution failed. Further discussion on the main motion continued.

Some senators supported the view that this resolution would express the opinion of the Senate and the laws that would stand in the way do not matter. Others felt parts of the resolution were not actionable because of current state law.

03/09/15-29 Campbell (ENGR) made a motion to close debate. The motion was seconded and debate was closed.

03/09/15-30 By voice, the motion to approve RS.15.08 passed.

Mallory ask for privilege. At the previous meeting. Several people thought I attacked the parliamentarian and the chancellor and wanted to apologize to the parliamentarian and chancellor. Did not mean to attack. Also to apologize to the library senators. Apologetic and was rude. I did bring up an issue. You should pursue what your privileges are. Find out as much about your senate as possible. Apologize to George for rudeness. Feel that some senators are treated differently on the floor. Thank you for letting me apologize publicly.
