SP.19.12 Proposed Revisions to the Statutes, Article VIII, Section 4 – Changes in Existing Units

BACKGROUND
At its April 22, 2019 meeting, the Senate approved a proposed revision to the Statutes, Article VIII, Section 4, establishing two tracks for the renaming of academic units (SP.19.12, superseding SP.18.14, had been approved on November 12, 2018). That proposal was transmitted to the Springfield and Chicago Senates for their consideration. The Springfield Senate approved the proposal with no changes; the Chicago Senate approved the proposal, but recommended altering how the new language in Article VIII, Section 4.b be presented and added section titles to Sections 4.a and 4.b (the proposal from UIC is included as an appendix here).

The Committee on University Statutes and Senate Procedures (SP) recommends retaining the language previously approved by our Senate, modified only by the title changes recommended by the Chicago Senate, presented in yellow. As this is a minor revision, it should only require a single vote.

RECOMMENDATION
The Senate Committee on University Statutes and Senate Procedures recommends approval of the following revisions to the Statutes, Article VIII, Section 4.

Text to be added is underscored and text to be deleted is struck through.

PROPOSED REVISIONS TO THE STATUTES, ARTICLE VIII, SECTION 4

ARTICLE VIII. CHANGES IN ACADEMIC ORGANIZATION UNITS

Section 4. Changes in the Organization and Naming of Existing Units

a. Changes in Academic Organization

From time to time, circumstances will favor changes in academic organization such as the termination, separation, transfer, merger, or change in status (e.g., department to school), or renaming of the academic units specified in Section 4.3. The procedures for the various changes shall be the same as those specified for formation of such a unit, except that the proposal may originate in the unit(s) or at any higher administrative level. The advice of each unit involved shall be taken and recorded by vote of the faculty by secret written ballot in accordance with the bylaws of that unit. For transfer, merger, separation, and change in status, the procedures shall be those applicable to the type of unit which would result.
Units affected may communicate with the Board of Trustees in accordance with Article XIII, Section 4, of these Statutes.

b. **Renaming**

Academic Units specified in Section 3 may be renamed in either of two ways:

1. If the renaming is related to a change in academic organization (as in Section 4.a) or changes in a discipline or its terminology (e.g., a shift change from “communications” to “media” or from “commerce” to “business”), the procedures shall be the same as those specified for formation of such a unit, except that the proposal may originate in the unit(s) or at any higher administrative level. The advice of each unit involved shall be taken and recorded by vote of the faculty by secret written ballot in accordance with the bylaws of that unit.

2. If the renaming involves only the addition of an eponym (e.g., the name of an alumnus, donor, person, or entity), the proposal may originate in the unit or at any higher administrative level. The advice of the unit to be renamed shall be taken and recorded by vote of the faculty by secret written ballot in accordance with the bylaws of that unit, and the advice by vote of the appropriate senate shall be taken and recorded by a vote of the senate. The senate may specify a committee to provide advice on its behalf under conditions established by the senate. In this case, the committee’s advice, taken and recorded by vote, will be reported to the senate.

PROPOSED REVISIONS TO THE STATUTES, ARTICLE VIII, SECTION 4
ARTICLE VIII. CHANGES IN ACADEMIC ORGANIZATION UNITS
Section 4. Changes in the Organization and Naming of Existing Units

a) Changes in Academic Organization
From time to time, circumstances will favor changes in academic organization such as the termination, separation, transfer, merger, or change in status (e.g., department to school), or renaming of the academic units specified in Section 13. The procedures for the various changes shall be the same as those specified for formation of such a unit, except that the proposal may originate in the unit(s) or at any higher administrative level. The advice of each unit involved shall be taken and recorded by vote of the faculty by secret written ballot in accordance with the bylaws of that unit. For transfer, merger, separation, and change in status, the procedures shall be those applicable to the type of unit which would result. Units affected may communicate with the Board of Trustees in accordance with Article XIII, Section 4, of these Statutes.

b) Renaming
Academic Units specified in Section 3 may be renamed in either of two ways:
1) Renaming related to a change in academic organization (as in Section 4.a) or changes in a discipline or its terminology (e.g., a shift change from “communications” to “media” or from “commerce” to “business”).
2) Renaming that involves only the addition of an eponym (e.g., the name of an alumnus, donor, person, or entity).

In both cases, the procedures shall be the same as those in Section 4.a) for changes in academic organization of existing units. However, in case 2), the senate may specify a committee to provide advice on its behalf under conditions established by the senate. In this case, the committee’s advice, taken and recorded by a vote, will be reported to the senate.
