EC.20.06 Revision to the Election Rules for the Student Electorate, Section 5 – Conducting Elections

BACKGROUND
This revision proposes that the election of students to the Senate be completed three weeks prior to the organizational meeting rather than prior to spring break. The adjusted timeline would allow for greater engagement and recruitment of students to serve within the shared governance system. This is a much more flexible schedule and will also tend to avoid any problems with conflicting holidays that may occur.

The appendix contains the dates for the spring 2021 student elections in accordance with the following proposed revisions.

RECOMMENDATION
The Senate Committee on Elections and Credentials recommends the approval of the following revisions to the Election Rules for the Student Electorate. Text to be deleted is struck through and text to be added is underlined.

REVISION TO THE ELECTION RULES FOR THE STUDENT ELECTORATE, SECTION 5 – Conducting Elections

5.2 *Time of Elections*. Elections for the Colleges of Law, Medicine, and Veterinary Medicine shall be conducted by those colleges at such times as shall be specified by the EC. The election of all other student senators shall be held at such times as shall be specified by the EC unless the Senate authorizes the Campus Student Election Commission (CSEC) established by the Illinois Student Government Constitution to conduct the election of student senators concurrently with the other student elections the CSEC conducts. Such authorization, which does not extend to the Colleges of Law, Medicine, and Veterinary Medicine, must be given by the Senate no later than the last regularly scheduled meeting of the spring semester for the following year's elections. Once given, this authorization
will remain in force unless it is rescinded by the Senate; such action must take place no later than the last regularly scheduled meeting of the spring semester to be effective for the following year’s elections. If the CSEC is authorized to conduct student Senate elections and agrees to do so, the election shall be held in the week containing the first Monday in March. If this week contains a general campus holiday, the election shall be held in the preceding week. If the preceding week also contains a general University holiday, the election shall be held in the week containing the second Monday in March. The student elections shall be completed no fewer than three weeks prior to the organizational meeting of the Senate.

5.3 Senate Approval of Changes in CSEC Election Calendar. If for any reason CSEC-conducted Senate elections cannot be held in accordance with the above schedule, the CSEC will notify the Senate no later than September 30 prior to the scheduled election, at which time the Senate shall determine whether to authorize the CSEC to proceed with the conduct of said election or to delegate the responsibility to the college elections committees.

Renumber the remaining sections accordingly.
