

UNIVERSITY OF ILLINOIS URBANA-CHAMPAIGN SENATE

MONDAY, APRIL 4, 2022

ZOOM WEBINAR

MINUTES

I. CALL TO ORDER

A regular meeting of the University of Illinois Urbana-Champaign Senate was called to order at 3:10 pm with Senate Executive Committee (SEC) Chair Rob Kar (LAW) presiding and Professor Emeritus H. George Friedman, Jr. serving as Parliamentarian.

II. APPROVAL OF MINUTES

04/04/22-01

Without objection, the minutes of the March 7, 2022 meeting were approved as distributed by unanimous consent.

III. APPROVAL OF FLOOR PRIVILEGES

No requests received.

IV. PUBLIC COMMENT

No requests received.

V. SENATE EXECUTIVE COMMITTEE CHAIR'S REMARKS

Chair Kar reminded senators of remote meeting participation processes. Kar reported that longtime Senate member Harry Hilton recently passed away and asked Friedman to say a few words. Friedman spoke about Hilton's active and dedicated participation in the Senate and suggested attendees read Hilton's obituary. A moment of silence followed.

Kar reminded senators that much of the work of the Senate takes place in committees and encouraged senators to nominate themselves and colleagues for service. The Senate is also looking for an additional parliamentarian.

The Senate Committee on Educational Policy (EP) will be sending out a survey to all senators regarding practices related to online student evaluations and preferences for fall break. Information about the survey and a link to the survey will be sent from the Office of the Senate later this week.

VI. CHANCELLOR'S REMARKS

Chancellor Robert Jones offered condolences on the passing of Harry Hilton. Jones looks forward to holding Commencement in person this May. Jones noted that it is important to take care during this hectic time of the semester. Please take care of yourself and those around you.

Jones noted the Massmail sent last week about racist flyers that were once again distributed around campus. This is unfortunately a national trend. These flyers

referenced the Ku Klux Klan and white supremacy. These messages are an affront to the core values as a University community.

Jones made everyone aware of the change in COVID testing requirements for those that are unvaccinated. Unvaccinated individuals must now test once a week instead of the previous requirement of testing every other day. COVID decisions continue to be made based on data and national and local health department requirements. This testing policy is also in accordance with Governor Pritzker's Executive Order #87 that requires all unvaccinated individuals in higher education to test at least once per week.

Provost Cangellaris sent a message out recently about the revised Provost Communication #9, Promotion and Tenure. Jones encourage everyone to visit the Office of the Provost website to read the revised policy and emphasized the importance of these revisions. Jones recognized Eva Pomerantz (LAS) and Amy Ando (ACES) for their leadership of the task forces that made these recommendations. The revised Communication #9 recognizes a wider range of faculty contributions including guidelines for team and interdisciplinary research, community and public engagement, and a candidate statement around diversity, equity, and inclusion. It also includes new processes around evaluating teaching effectiveness.

Jones thanked Chair Burbules and the Senate Committee on General University Policy (GP) for their careful and thoughtful working in developing some recommendations and guidelines regarding department and units making statements on campus about public issues. This is a timely and important subject across all of higher education. Jones and Cangellaris are looking forward to hearing the Senate's comments on the GP item on today's agenda.

Faculty senator Roseman (LAS) asked why the Senate continues to meet online while students are attending large sized classes in auditoriums. Roseman expressed concern that it could appear the Senate is holding itself to a different standard. Jones replied that the Senate's initial decision to remain remote was made at the beginning of the semester because of the prevalence of the Omicron COVID variant. Kar added that attendance has been greater for remote compared to in-person meetings. Changes in procedure are kept to a minimum to avoid confusion.

XI. NEW BUSINESS

04/04/22-28 Faculty senator Mathisen (LAS) made a motion to open a discussion about the modality of future Senate meetings. The motion was seconded and approved by unanimous consent.

Senators expressed agreement that a remote modality should be offered. A hybrid model may not be feasible. The Illinois Open Meetings Act (OMA) will dictate the modality of meetings. With only one meeting remaining for the 2021-2022, the Senate will continue to meet remotely.

XII. ADJOURNMENT

The meeting was adjourned at 5:18 pm.

Jenny Roether, Senate Clerk

*Filed with the Senate Clerk and incorporated by reference in these minutes.
