## Proposal Title

**Effective Catalog Term**

Fall 2022

Provide a brief, concise description (not justification) of your proposal.

Changing Hospitality Management Concentration in FSHN to a major. Need to phase out the concentration.
List here any related proposals/revisions and their keys. Example: This BS proposal (key 567) is related to the Concentration A proposal (key 145) and the Concentration B proposal (key 203).

This phase down Hospitality Management concentration request (key 648) is related to:
- New major request of Hospitality Management, BS (key 1099)
- Phase down request of the current major, Food Science & Human Nutrition BS (key 81)

Program Justification

Why are these changes necessary?

The department of Food Science and Human Nutrition is changing their 4 undergrad concentrations to majors. Once the Hospitality Management BS is approved, we would like to phase out the Hospitality Management concentration. We would like to allow current students in the Hospitality Management concentration to have the option to finish their degree with the concentration or to move to the new Hospitality Management BS.

Instructional Resources

Will there be any reduction in other course offerings, programs or concentrations by your department as a result of this new program/proposed change?

No

Does this new program/proposed change result in the replacement of another program?

Does the program include other courses/subjects impacted by the creation/revision of this program?

No

Program Regulation and Assessment

Briefly describe the plan to assess and improve student learning, including the program’s learning objectives; when, how, and where these learning objectives will be assessed; what metrics will be used to signify student’s achievement of the stated learning objectives; and the process to ensure assessment results are used to improve student learning. (Describe how the program is aligned with or meets licensure, certification, and/or entitlement requirements, if applicable).

This is a phase down request. We are changing the concentration to a major. No change to program regulation and assessment

Is the career/profession for graduates of this program regulated by the State of Illinois?

No

Program of Study
“Baccalaureate degree requires at least 120 semester credit hours or 180 quarter credit hours and at least 40 semester credit hours (60 quarter credit hours) in upper division courses” (source: https://www.ibhe.org/assets/files/PrivateAdminRules2017.pdf). For proposals for new bachelor’s degrees, if this minimum is not explicitly met by specifically-required 300- and/or 400-level courses, please provide information on how the upper-division hours requirement will be satisfied.

All proposals must attach the new or revised version of the Academic Catalog program of study entry. Contact your college office if you have questions.
