Listed below are temporary suspensions reported at the January 23, 2023 meeting of the Senate Committee on Educational Policy. Additional information for each suspension is attached.

A. **Graduate Program**

1) **Temporary Suspension of Admission to the Masters of Engineering in Materials Engineering in the Grainger College of Engineering and the Graduate College** – The program relies on students to find internships in companies; however, the department’s masters program is predominantly international students, for whom such an arrangement will be difficult to impossible to achieve. The department is reviewing what the best route forward for this program would be if they maintain it, or if they should sunset it entirely. In the meantime, they would like to suspend admissions for 5 years. No students are currently enrolled in this program.
Report to the Senate Educational Policy Committee
of a Temporary Suspension of Admission
of a Degree, Major, Concentration, or Minor

Temporary Suspension – To temporarily suspend admission to a program for a semester, year, or more. Please fill out this form. Once completed, please upload this as part of a CIM Program revision online. If you have questions, please email Brooke Newell (bsnewell@illinois.edu).

Suspension of Admission in order to Eliminate or Replace a Program – To phase down and eliminate a program. This is not the appropriate form. Please complete a phase down/elimination in the CIM P online system.

Non-Direct Admission Designated Program (previously “Permanent Suspension”) – To change a program’s admission status from open to one that does not directly admit students. This is not the appropriate form. Please fill out the Change to Non-Direct Admission Status form.

PROGRAM INFORMATION

1. Official Program Name (Example: Business Administration, MS):
   Materials Science & Engineering, MEng.
2. What is the anticipated duration of the suspension of admission?
   Be specific – list in semesters or years.
   5 years
3. What governance process was used to make this decision?
   Discussion with the chief graduate advisor, chair of curriculum committee, and department head for approval, as required by our department bylaws.
4. Have students been accepted, but have not yet matriculated into the program?
   No
5. How many students are currently enrolled in the program?
   None
6. Are there plans to direct prospective students to a different program during the suspension period?
   Yes / No
   If yes, please specify the program(s). Please attach your communication with the affected program(s) to this proposal as an appendix (required).
7. Indicate any advising or other impact on continuing students in the suspended program:
   N/A
8. How will you ensure that current students in the suspended program will be able to continue their degree progress?  
   N/A

Program Justification

Provide a brief description of what changes are being made to the program.

Temporary suspension of admission. This program is under review in the department, and we need time to decide if we will be revising the curriculum or sunsetting the program entirely.

Did the program content change 25% or more in relation to the total credit hours, since the 2020-2021 catalog. (http://catalog.illinois.edu/archivedacademiccatalogs/2020-2021/)

No

Why are these changes necessary?

The program relies on students to find internships in companies; however, our masters program is predominantly international students, for whom such an arrangement will be difficult to impossible to achieve. We are reviewing what the best route forward for this program would be if we maintain it, or if we should sunset it entirely. In the meantime, we would like to suspend admissions.

Instructional Resources

Will there be any reduction in other course offerings, programs or concentrations by your department as a
Does the program include other courses/subjects outside of the sponsoring department impacted by the creation/revision of this program?  
**No**

**Program Regulation and Assessment**

**Plan to Assess and Improve Student Learning**

*Illinois Administrative Code: 1050.30(b)(1)(D) Provision is made for guidance and counseling of students, evaluations of student performance, continuous monitoring of progress of students toward their degree objectives and appropriate academic record keeping.*

List the program's student learning outcomes. Each outcome should identify what students are expected to know and/or be able to do upon completing this program.

N/A

Describe how, when, and where these learning outcomes will be assessed.

Describe here:

Identify faculty expectations for students' achievement of each of the stated student learning outcomes. What score, rating, or level of expertise will signify that students have met each outcome? Provide rating rubrics as necessary.

Explain the process that will be implemented to ensure that assessment results are used to improve student learning.
