SP NOMINEES

A. ***Long, David (AP)***

As Title VI Coordinator at the University of Illinois Urbana-Champaign, I bring experience interpreting and applying institutional policies, federal regulatory requirements, and university procedures within a large and complex research university. My work requires careful consideration of institutional authority, accountability, procedural fairness, and the practical implications of policy decisions for faculty, staff, and students. I have also served as an ex officio member of the Provost's Title VI Task Force, contributing to University-wide deliberations concerning academic freedom, institutional responsibilities, and the relationship between university policies and their implementation across campus. I believe effective shared governance depends on clear, consistent, and thoughtfully developed statutes and procedures. I would bring to the committee an institutional perspective, experience navigating complex policy questions, and a commitment to fair and transparent processes, as well as an appreciation for the Senate's essential role in University governance.
