CC.11.06 Search Committee to Advise the President on the Selection of a Vice-President and Chancellor of the Urbana-Champaign Campus: Tally of Votes Cast and Membership

BACKGROUND

On November 8, 2010, the Senate approved the following selection process and composition of the search committee to advise the president on the selection of a chancellor (SC.11.07):

Senate Executive Committee proposes a search committee of 15 members: nine faculty (one chair and eight additional members), three students (at least one undergraduate and at least one graduate or professional), one dean or director, one academic professional, and one staff.

Senate Executive Committee proposes that Committee on Committees present two nominees for the position of chair, 12 to 14 nominees for the additional faculty positions, and three to six nominees for the three student positions. Senate shall provide to the President two nominations for Chair; remaining members of the committee shall be elected by the Senate in accord with *Senate Bylaws*.

Chair: One member of the faculty. Committee on Committees and Senate Executive Committee jointly will make two nominations. Senate will elect two. President will select one as chair and the other as one of the eight faculty members.

Eight faculty members: Committee on Committees will nominate 12 to 14 members of the faculty electorate. Senate will elect five, Senate Executive Committee will elect two, and President will select one, as noted above.

Three students: Committee on Committees will nominate three to six members of the student electorate: at least one undergraduate student, with no more than one from the same college, and at least one graduate student, with no more than one from the same disciplinary college, or professional student, with no more than one from the same college. Senate will elect three.

One dean or director: Senate Executive Committee will nominate two members, after consultation with the Academic Council of Deans and the Urbana-Champaign Interim Chancellor. Senate will elect one.

One academic professional: Senate Executive Committee will nominate two members, after consultation with the Urbana-Champaign Council of Academic Professionals. Senate will elect one.

One staff: Senate Executive Committee will nominate two members, after consultation with the Staff Advisory Council. Senate will elect one.

Online polls were open between December 7 and December 10, 2010, for the election of remaining committee members. Two separate polls were established: one for students only, including nominees for the places of
