SC.09.07

Senate Resolution on Faculty Commitments
Outside the Urbana-Champaign Campus

Whereas, it is the mission of the University of Illinois at Urbana-Champaign to offer high quality education to students,

Whereas, faculty are key to offering high quality education,

Whereas, high quality education requires undivided attention and focus of the faculty,

Whereas, commitments beyond regular teaching and research duties of the faculty may interfere with their ability to carry out their mission of offering high quality education to students,

Whereas, our commitment as a campus is first to ensure maintenance of high quality programs for our own students,

Be it therefore resolved that, faculty at the Urbana-Champaign campus should first focus on initiating and improving our own campus programs before considering commitments to entities outside our campus,

Be it also resolved that, all agreements for commitments outside our campus must be cleared and approved by the appropriate administrators at the unit, college, and campus levels.
