SP.01.07 Proposed Revision to the *Bylaws* Part D.12 - Committee on External Affairs

**BACKGROUND**

The Senate Committee on External Affairs recommended its own demise in a report in 1990 and it has not reported since 1995. New business has neither been forwarded to or generated by the committee within recent years, so concerns related to the general area of external affairs have been appropriately subsumed by other Senate committees. The Committee on External Affairs supports this recommendation to eliminate the committee.

**RECOMMENDATION**

The Committee on University Statutes and Senate Procedures recommends approval of the revision to the *Bylaws*, Part D.12. Text to be deleted is indicated in [square brackets].
